

Choix de la zone géographique:

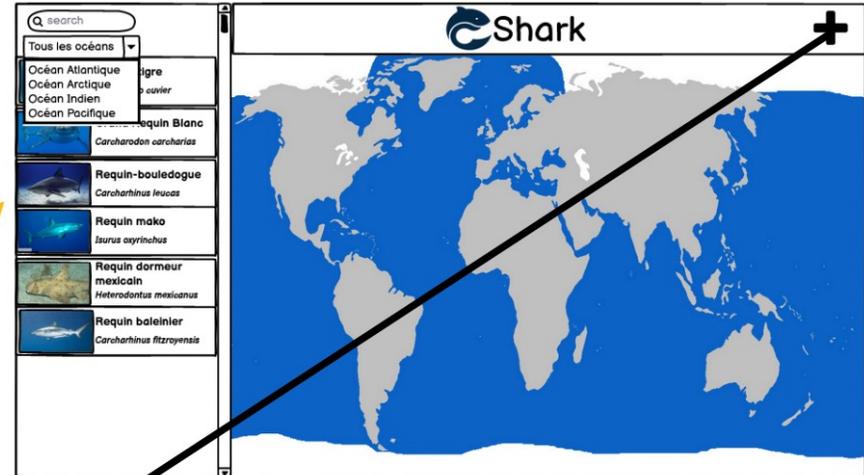

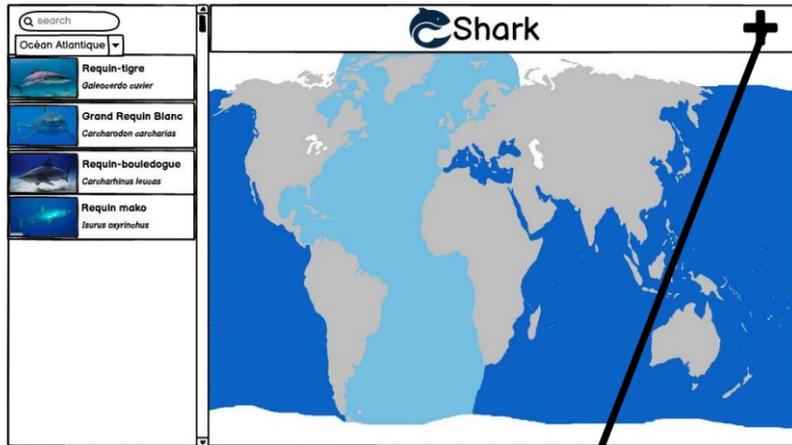

The screenshot shows the 'Shark' application interface. At the top, there is a search bar and a '+' icon. Below the search bar is a dropdown menu labeled 'Tous les océans' with a downward arrow. The menu is open, showing the following options: 'Océan Atlantique', 'Océan Arctique', 'Océan Indien', and 'Océan Pacifique'. Below the menu, there is a list of shark species with their scientific names and small images: 'Requin Blanc' (*Carcharodon carcharias*), 'Requin-bouledogue' (*Carcharhinus leucas*), 'Requin mako' (*Isurus oxyrinchus*), 'Requin dormeur mexicain' (*Heterodontus mexicanus*), and 'Requin baleinier' (*Carcharhinus fitzroyensis*). A world map is displayed in the background, with the Atlantic Ocean highlighted in a darker blue. A yellow arrow points from the 'Océan Atlantique' option in the dropdown menu to the right-hand screenshot.

The screenshot shows the 'Shark' application interface after selecting the 'Océan Atlantique' option. The search bar and '+' icon are still present. The dropdown menu now shows 'Océan Atlantique' with a downward arrow. Below the menu, the list of shark species is filtered to show only those found in the Atlantic Ocean: 'Requin-tigre' (*Galeocerdo cuvier*), 'Grand Requin Blanc' (*Carcharodon carcharias*), 'Requin-bouledogue' (*Carcharhinus leucas*), and 'Requin mako' (*Isurus oxyrinchus*). The world map in the background now highlights the Atlantic Ocean in a darker blue. A green arrow points from the 'Requin mako' entry in the list to the right-hand screenshot.

Description d'un requin:
